Personalise a tree

Tree from Me is a new gift idea from Julie Begbie of Midlothian. She's producing a range of aluminium plaques which can be engraved with your own choice of text and placed in front of a tree or plant to mark a special occasion – perhaps the birth of a child, a wedding, or the death of a loved one.

Each plaque can be engraved with up to five lines of text with fifty characters on each line. Says Julie, "Once planted with a tree, this is a truly lasting gift that will be enjoyed for years, after more traditional celebration gifts have been stored away or worn out."

The aluminium plaques can be presented in a gift box, with the option of including seeds or National Garden Gift Vouchers. The plaques are 11 cm wide and 30 cm high, and cost from £19.99.
